## WINTER IS HERE

It's that time of year again!

Saskatchewan is white and covered in snow! Even though the weather has been this way for a month already, we still advise everyone to continue dressing warm and allowing themselves extra time to get to the studio. The parking lot and sidewalks around the studio do get cleared, but please take caution as there is often still ice in the area.

Road conditions are going to worsen as the snow continues to melt and refreeze throughout the season. We ask that all parent and student drivers take caution. Ice and snow have already begun to gather around the La Danse sidewalk and entrance. We will be salting the walk ways, but please pay attention and be careful while entering the studio.

WINTER BREAK STARTS  
FRIDAY, DEC. 21<sup>st</sup>

### LABELS

With the abundance of boots and jackets being brought to the studio, it is easy for things to get lost or mistaken. Please label your clothing and boots to avoid having anything lost. Several people have the same or similar items, so we ask that you take an extra minute to ensure you are taking home your proper belongings. If you have something go missing, please contact the front desk or check the lost and found.

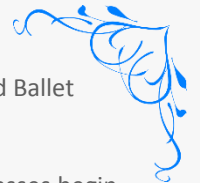

**HAPPY HOLIDAYS FROM THE LA DANSE STAFF!!!**

The parking spot closest to the front door of the studio is a disability parking spot. It has come to our attention that it is being used by those who do not have a proper parking pass. Because we have families that require this stall, please be respectful.

No Classes: Friday, December 21<sup>st</sup>.

CONGRATS! To all our ballerinas that took part in graded Ballet Exams in November! We're so proud of you!!

Studio Rentals: must finish 15 minutes before regular classes begin.

### Solo, Duet, Trio Costume Orders

For those looking to order costumes for solos or duets, please talk to Danielle about placing orders. A form has already been e-mailed out. Please fill it in and bring it, along with your deposit, to the studio. All costumes need to be approved by the choreographer. Deadline to submit form: December 18<sup>th</sup>

## Dance Fees

**We would** like to remind you to bring any fees that are still outstanding to the studio. You will be contacted by Mallory if there are any remaining issues with fees. Please e-mail or call the studio, and we will be happy to answer any questions you may have. Remember: cash or cheque only.

## Student Lounge

**Please** be aware that the student lounge is for DANCERS ONLY! This space is for dancers to change clothes, stretch, practice, do homework, and hang out between classes. Parents are to wait in the front waiting area only. We understand that space is limited, but we ask that you please respect the dancers' privacy.

## Mock Tap Exams

**As our** tap exams will take place in early February, Ms. Myers takes time over the Christmas break to spend with the dancers doing their mock exams at the dance studio. If you are planning to be away during this time, please make sure to let us know so we can begin to make a schedule that works best for everyone.

## Attendance

**Regular** attendance is important. We want all of our students to feel comfortable with their dance and well prepared. It is very difficult to work on lines, patterns, and with partners when students are missing. Please try your best to be at all of your classes. If you are unable to dance, please still come to observe.
